# A NOTE FROM

## OUR CHIEF MEDICAL OFFICER

## Introducing Dr. Kevin O'Neil

Thank you for expressing interest in joining the **The Landings of Albemarle** family! My name is Dr. Kevin O'Neil, and I serve as our community's Chief Medical Officer. I've worked in geriatrics for over 40 years, and it is my passion to support the care of our seniors. As an American Board of Internal Medicine certified physician in both internal and geriatric medicine, I place value in the care we provide to our residents.

Within The Landings of Albemarle, our goal is to create an "integrated" model that fosters an environment where your loved ones are provided with consistent care. We believe that assisted living is considered the next big frontier in geriatric care, and should play a role in the value-based care frameworks that are being pursued by major healthcare systems.

We understand how important it is to ensure that your loved ones are being cared for at their new home. At our community, we offer assistance with daily tasks, medication management, on-call physician services, dedicated caregivers 24/7, and enhanced security features.

Geriatrics is a team effort. We believe that working in coordination with our families is just one of the many ways we can show our support towards a thriving senior living lifestyle. We also actively partner with pharmacies and physicians to help maintain the health and well-being of our residents.

Our community's services are tailored to each resident on a daily basis. We pride ourselves in providing specialized and customized care, and we cannot wait to care for the one you love.
